COURSE DESCRIPTION

Whether you've just chosen to follow Jesus, rededicated your life to Him, or are exploring what a life with Him is about, this **8-week Foundations Course** is your streamlined guide toward becoming a disciple of Jesus.

We begin with the core Alpha curriculum over the first three weeks, providing a solid introduction to the Christian faith by covering essential topics like Who is Jesus, the Cross, Faith, Prayer, the Bible, and the Holy Spirit.

We then smoothly transition into a practical study of the 10 Qualities that move a person from being a new believer into true discipleship. This course format gives you a unique opportunity to connect with others, ask questions, and share your experiences as you walk a new, accelerated journey of faith.
